STICK EXAM

TIMETABLE HERE

**TIP 1**

Make sure you cover **all your subjects** each week on your timetable.
Plan in a half-hour **recap** of each subject within 48 hrs of revising it.

TIP 6

Don't work solidly for 5 hours.

Take a **short break** every couple of hours.

TIP 2

Use the "**Extra revision**" slots to revise subjects you're struggling with

...or subjects where the exam is close.

TIP 7

You've really got to do your best to **stick to your plan**.
It's the best way to avoid last minute stress and panic.

TIP 3

Start following your study leave timetable **as early as possible**.
Don't wait till the week before the exams.

TIP 8

Don't overdo it - you need time to **relax, exercise** and have **fun** too...
Have 1 **day off** each week.

TIP 4

Don't put off starting - if it says 9 am, **start at 9 am**.
This way you'll finish sooner and have more time to relax afterwards.

TIP 9

Add in activities that you know you have planned (visit to gran or a friends party etc.) so you can relax and enjoy them knowing that you are on track with your revision!

TIP 5

Some days, you won't get everything done... for whatever reason.

If this happens, make sure you **catch up** over the next few days.

TIP 10

Don't stress - they're only exams... and there's more important things in life, e.g. **Justin Timberlake, Cookie Dough Chip Ice-cream, Pogo-sticks...**
