Year 8 Options and SIMS STUDENT

A new development is that your child's options application will be completed online this year. Students have all been sent invitations to register for SIMS Online Student and parents also received information on how they should register for SIMS Parent as well.

The School and Parents will need to 'approve' all choices online before they can be accepted.

If you have any problems with accessing the system please contact Ms Copeland via nc@llevanthorpe.net
