Term-Time only, Full or Part time available.

Hours are negotiable. *Please note:* part time hours for this role would be required every day, Mon - Fri.

To support the Science department in the preparation and delivery of practical lessons, start date to be confirmed.

We are looking for an experienced technician to support our busy, dynamic Science department. We require a suitable candidate with laboratory experience or a scientific background to join our team of Science Technicians.

The successful applicant will mainly be responsible for overseeing technical support within the Science Faculty for the 11 – 19 age range. Knowledge of General Science would be an advantage. Key duties of this role are to provide a practical daily technician service to members of the teaching staff in the Science Department through the preparation, provision and cleaning of equipment and apparatus. Providing chemicals to enable pupils to carry out laboratory experiments. The successful candidate will be organised, flexible, reliable and a good team player.

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant will be required to apply for an enhanced disclosure from the Disclosure and Barring Service (DBS).

Please apply to the HR Manager by letter and application form which can be found on the careers page of our website www.leventhorpe.net Please send completed applications to the email address on the application form.

For this post applications will be processed immediately. Initial interviews will take place via Zoom.
