Dear Student/Parent/Carer,

I hope you are all enjoying the sunshine and are looking forward to Thursday! I just wanted to let you know of the final arrangements for Thursday's results.

- Arrival from 8am - please be aware there is very limited parking owing to the building works on site and therefore it is advised **not to park** on school site. If you do have to drive we can only accommodate cars in the front car park. Please also note that we are asking for **no more than 1 parent** to accompany you and they will be asked to **wait outside the school building**
- You are welcome to wear a face mask if you wish and all students and staff are expected to maintain the appropriate social distancing measures whilst on school site.
- Entry to the school will be via the gate into the back car park (that runs alongside tech) - you will need to queue to get into the sports hall via the fire exit near to the changing rooms.
- You will enter the sports hall via the fire exit and will then proceed to your form group table where you will receive your results envelope. Within the envelope you will find your results, information on applying for the F&B grant and information on resits.
- Once you have received your envelope, please proceed out of the sports hall quickly via the main door onto the piazza as we will need to keep the numbers of students within the sports hall limited at any one time
- If you are concerned with your results and have found that your university place is unsure / you have any questions about next steps, please go to **Rm 10**. Mrs Morris, Mrs Crosby and Mrs Blair-Park will be available to talk you through next steps and provide advice. There are computers available in Rm 10, should you need to contact universities
- Any queries relating to your specific results need to be addressed directly to Mr Dyke by emailing him at the dedicated email address on [dpo@leventhorpe.net](mailto:dpo@leventhorpe.net). Please refer to the letter which was sent in July (also attached) which lets you know what to do if you have queries relating to your grade. We will be unable to discuss matters relating to the actual grades awarded on Thursday and so please do consult the letter attached.

If you are unable to collect your results in person please contact Mrs Creagh on [jxc@leventhorpe.net](mailto:jxc@leventhorpe.net)

If you have any questions regarding Thursday please feel free to contact me via email - I am looking forward to seeing you all on Thursday and celebrating what I am sure will be a successful day for you!

Take care

Yours faithfully,

Mrs Crosby
