

Leventhorpe  
a business and enterprise academy

18 May 2020

Dear Parent/Carer,

I hope that my email finds you well.

Please note that the school will be closed for the half term holidays and the key worker provision will not be running during this week.

We will look forward to welcoming students of key workers back into school on Monday 1st June.

It may be that - with the changes in guidance in regards to primary school children - more of you may require the key worker provision at Leventhorpe after the half term. If this is the case, please do let me know as soon as possible so that we are able to ensure we have the appropriate number of staff on duty. Many thanks to those who have been in touch already.

Many thanks in anticipation.

Best wishes

Layla Price  
Deputy Headteacher
