

# Leventhorpe

a business and enterprise academy

20 November 2020

Dear Parent/Carer,

Charity Week at Leventhorpe this week has been a huge success, even with it being virtual this year. The students have really enjoyed watching the videos in form time, which are now available to view on our website, see link below.

As you may have heard, Mr White agreed to host an assembly from an ice bath as part of the fundraising; this is a video you don't want to miss!

<https://www.leventhorpe.net/707/events-fundraising>

It's not too late to donate to Mr White's Ice Bath Challenge, any donations will be going toward The Princess Alexandra Hospital NHS Charitable Fund, a very worthy cause.

Many thanks for all your support and donations.
