

**Leventhorpe**  
a business and enterprise academy

22 September 2020

Dear Parent/Carer,

Every year we host Parent Information Evenings (PIE night) for parents to come up to school to listen about key messages for the coming year. With Covid restriction in place we are unable to hold these physical sessions. However, we will be issuing year specific PowerPoints over the next couple of weeks which will highlight key events and information to support you in supporting your child/children.

Please be aware that this information could be subject to change dependant on the Covid-19 situation.

Yours faithfully,

Mr Francis  
Assistant Headteacher  
Designated Senior Lead  
Pastoral Lead Yr7-Yr11  
Mental Health Lead
