Dear Parent/Carer,

Following the email from Mr White yesterday, please see the link below to a Parent Questionnaire about access to IT facilities at home.

Responses to this survey will help us to understand some key issues about how households can access remote learning if we need to fully or partially close. Please respond to help us understand issues and adapt our plans for any closures.

The questionnaire will be live on our website for you to complete until Thursday 12 November.

Yours faithfully,

Mr Dyke
Deputy Headteacher
