

**Leventhorpe**  
a business and enterprise academy

6 October 2020

Dear Parent/Carer,

**Re: Mental Health Week at Leventhorpe**

Further to our letter on 25 September 2020 regarding our Mental Health Week at Leventhorpe, I would like to remind you that on Friday 9 October we are hosting a 'wear something green with your full school uniform' day. We are asking for a donation of £2 which will go directly to our chosen charity YCT. Please find more information about the fantastic work YCT do at: <http://www.yctsupport.com/>.

Students also have the opportunity to purchase a green Leventhorpe Mental Health Awareness wristband. This can be worn as the item of green or alongside something green on the Friday but can also be worn after the event as a mark of the week. Wristbands that are purchased for £2 on ParentPay will count as the donation to YCT. Wristbands are available from ParentPay now and we will issue the purchased bands during the week leading to Friday 9th October. Please be advised that if you choose not to purchase a wristband then a £2 donation for wearing something green on Friday is required.

Yours faithfully,

Mr Francis  
Assistant Headteacher
