Dear Parent / Carer / Student,

This message is for all students and parents who have NOT yet registered for SIMS Parent or SIMS Student.

If you have not registered for SIMS Parent or SIMS Student then you will be receiving a new invitation, as the original invitations will have expired. Instructions of how to register are attached.

SIMS Parent and SIMS Student is an online website and app we use to provide parents and students information about attendance, timetables, reports, data collection, school calendar and some activities in school. Reports will only be available in SIMS this year so it important to register to enable you to see those.

If you have already registered for SIMS Parent and you have more than one child in school, you should be able to see them all on the same account – if this is not the case then please let me know.

Quite a few invitations have been sent out at the same time, and so the system may be slow if everyone is trying to register at the same time, so please be patient and try again later before contacting me.

Regards

Yours faithfully,

Ms Copeland
SIMS & Data Manager
