Dear Parent/Carer,

As we come to the end of the Autumn Term, we wanted to share information with you regarding PE activities for the Spring Term.

Firstly, thank you for all of your support with PE at Leventhorpe during the first term. It has been an unusual term, with students participating in a number of activities that traditionally would have taken place in the Summer, and staff and students having to adapt to ever changing advice and legislation.

Below is an outline of the activities that students will be participating in during the Spring term, beginning after the Christmas break.

Due to the delay in mock exams – some students will be participating in some activities for just two lessons – in the first week (these are highlighted in yellow below). All other activities will be for **4-6 lessons**.
